

LEADERSHIP BREAKOUT SESSIONS

We are inviting all acting board members, along with any individuals interested in a future position, to attend their position's leadership training session on Thursday, November 3. This year, our set up will allow the opportunity to attend two different sessions in case you are interested in learning about a potential future position.

These sessions will give AWMI leaders and future leaders the opportunity to connect with their peers in a relaxed environment and share perspectives on leadership, volunteer issues, topics of interest, how to become more involved with the association and what we can accomplish together in the coming year. We will also be discussing how to achieve balance, different methods of communication, how a super attitude produces super results and much more!

We hope you will join your fellow AWMI Volunteer members and the AWMI Board and staff as we explore how we can be super leaders in our association, office and community. We look forward to seeing you there!
