Virtual Holiday Mixer Toolkit

As a gift to all who attended the AWWMI Toronto Chapter Holiday Mixer, here is a tool kit for you to host your own virtual get-togethers this season! Have fun!

Elf Yourself (<https://www.elfyourself.com/>)

Get pictures of your family or team and upload to the Elf Yourself website ahead of time to have custom-made videos to share!

Kahoot! (<https://kahoot.com/>)

Have a game where everyone can play (and win!). Use pre-made themed Kahoots or create your own to share. The prize is sweet – bragging rights!

Bonus: create a Kahoot that uses parts of your meeting and call it Eye Spy!

Zoom Breakout Rooms

(<https://www.youtube.com/watch?v=jbPpdyn16sY>)

This allows a larger group to have smaller, more dynamic conversations

Wheel of Names (<https://wheelofnames.com/>)

Enter names or photos, spin wheel to pick a random winner. Customize look and feel, save and share wheels.

Learn something new together! Send out the directions or ingredients ahead of time to let everyone prepare for a virtual collaboration.
